

Warren County Historical Society Board Member Commitment

It is the Mission of the Warren County Historical Society to promote interest in Warren County history and to preserve the County's heritage for the education and enjoyment of present and future generations.

By accepting a position on the Board of Directors of the Warren County Historical Society, a Board Member is expected to seek financial and civic support for the Society and its activities whenever possible.

Length of Term

Board Members are expected to serve for a three year term. Board Members may be re-elected for an additional term, serving a maximum of six consecutive years.

Meetings and Committees

Board Members are expected to participate in monthly organization Board of Directors meetings and to actively serve on at least two committees. Committees meet as needed and report to the Board of Directors.

Special Events and Activities

Board Members are requested to attend, and volunteer their time to participate in, a number of organization's special events and programs throughout the calendar year.

Serve Magnanimously

Board Members are expected to serve magnanimously, without promise of financial gain. Board Members serve with the knowledge that they are helping preserve and promote the history of Warren County through:

1. Creating greater understanding of the organization's mission and its goals.
2. Determining the overall governing policies of the organization.
3. Insuring the acquisition and management of the adequate resources for the organization.
4. Enhancing the organization's image within the community.

I have read the above information and I accept the responsibility associated with serving as a Board of Directors Member of the Warren County Historical Society.
